PROFILE SUMMARY

Creative and detail-oriented Canva Designer with hands-on experience in designing brochures, advertisement posters, social media content, presentations, and promotional materials. Proven ability to create visually engaging designs for college initiatives, client projects, and ambassador programs. Skilled in transforming ideas into compelling visual content while maintaining brand consistency and meeting deadlines. Passionate about creativity, visual storytelling, and delivering impactful designs.

DESIGN EXPERIENCE

Advertisement Poster Design

- Designed promotional posters and marketing creatives for multiple clients using Canva.
- Created visually appealing designs tailored to client requirements and target audiences.

Social Media Content Creation

- Designed Instagram posts, event announcements, and promotional creatives for ambassador activities and student initiatives.
- Maintained consistency in design themes, typography, and branding.

College Brochure Design

- Designed brochures for academic and college-related activities.
- Ensured professional presentation of information through modern design techniques.

Presentation Design

- Designed professional presentations for competitions, seminars, and academic events.
- Contributed to successful competition presentations through effective visual communication.

ACHIEVEMENTS

- Selected as a Google Student Ambassador through a Canva-designed graphical pitch presentation.
- Designed promotional materials, brochures, and advertisement posters for clients and college initiatives.
- Created competition presentations that contributed to successful participation and recognition.
